Rod Miller & Ken Miller  
Bob Miller Masonry, Inc.

I am pleased to say that Bob Miller Masonry is always Collingwood's first choice for the concrete and block masonry work on our luxury homes.

- Your bids are timely, competitive and professionally presented
- You are outstanding at identifying & solving potential problems in advance
- Your work is well-organized and performed on schedule
- Your quality of workmanship is unmatched by any of your competitors
- Your field supervision is professional and effective
- Your field crews are hard-working, efficient, conscientious and courteous
- Your equipment is high-quality, well-maintained and competently operated
- You keep jobsites well-organized and clean
- Your jobsite clean-up is outstanding
- Your company's appearance on the job is that of a high-quality operation
- You have a positive reputation with building inspectors
- You are highly-respected by architects and structural engineers
- You are respectful, cooperative and helpful toward other trades
- You respond promptly and fairly when problems are encountered

I have done business personally with your company for more than 20 years, beginning back when your dad was the one supervising the work and making sure it was the highest possible quality. I compliment you on the outstanding way that you have built the business on the solid foundation of excellence and integrity created by your dad, Bob Miller.

Milton Shenk  
Senior Vice President of Construction  
COLLINGWOOD CONSTRUCTION GROUP, LLC
